

Directions to Lights of Los Luceros

December 2022

There is currently construction along NM68 affecting the entrance to Los Luceros when approached from the south.

From Espanola:

From NM 68, turn left at the Alcalde Post Office/ St. Anne's Catholic Church also called "Los Pachecos Rd." Follow it until it dead ends then turn right at Co Rd 41. You will follow the road for around 1.7 miles, then Los Luceros (large property with a coyote fence) is on the left.

From Taos:

Follow the "Local Access" part of NM 68 (the right side of the road), turn right on County Rd 48/Los Luceros Road, this road will dead end at the site.
