

## **Learning About Motor Skills, Part 2**

In Part 1 of this assignment, each picture showed children engaged in a motor skill. In 2-4 words, write what the child in each picture is doing. (2 pts.) You do not have to write a complete sentence. *Example: riding a bicycle.* 

|     |    | Circle the noun. (4 pts.)    |          |
|-----|----|------------------------------|----------|
|     | 2. | Underline the verb. (4 pts.) |          |
| 1.  |    |                              |          |
|     |    |                              | V        |
|     |    |                              |          |
| 2.  |    |                              |          |
|     |    |                              |          |
| _   |    |                              | 20       |
